

# Reach Millions! Receive Over \$1B Exponentially!

Participate With Friendly Like Minded People In a Voluntary Event

#3

Yes, even if you do not invite anyone. Here's how in 3 easy steps

Your name starts here 

Dear Friend,

You and I can reach millions of friendly invitees plus...receive over one billion dollars in gift\$ exponentially by taking three easy steps.

1. Read this whole page.
2. Request instructions.
3. Follow the instructions.

When I receive your gift your name will go on level one then 10,000 copies will be printed and mailed monthly for you for 12 months. And each time you receive a cash gift your name will go to level two on the new participant's page and another 10,000 copies will be printed and mailed for you until your name reaches level seven. You'll receive cash gifts from each new participant and your C/R copy from the monitor, Milton V Shaw. Your page will be printed and mailed until you have ten participants on your first level even if you do not invite anyone. Please send cash only to all names as instructed. Wrap a copy of this flyer around the cash before placing it into the right envelopes.

This Voluntary Event has a ten by seven forced matrix system. Ten participants on your first level by seven levels high.  
 $10 \times 10 \times 10 \times 10 \times 10 \times 10 \times 10 =$  over one billion exposures plus the equivalent in cash gifts for you with a full matrix. You could be receiving oodles of cash gifts daily for years to come.

The faster you participate the faster you start receiving cash gifts. So send a copy of this page with no money immediately, like yesterday, to the monitor for final instructions:

All my cash gifts I will be sending to the names on this invitation are voluntary.
